

A hand-drawn floor plan on a grid background. The central feature is a large rectangle labeled "GARAGE" with "H=250" written below it. This central area is surrounded by a thick black line representing a wall or boundary. To the left and right of this central area are smaller rectangular sections, possibly representing doorways or adjacent rooms. At the bottom of the page, there are three more rectangular shapes, likely representing other parts of the building's layout.
